To eliminate arbitrariness in the disposal price, the closing price for the common shares of the Company on the Prime market of Tokyo Stock Exchange on June 12, 2024 (the business day prior to the day of resolution at the meeting of the board of directors) of 3,420 yen is used as the disposal price. As this is the market price the day prior to the day of resolution of the board of directors, we believe it is valid and does not represent a particularly favorable price.
